

NLM TOURNAMENT – It was a great tournament- even though attendance was down quite a bit. I think we were missing the “lower” masterpoint attendees. Lauren Campbell (tournament chair) and Reid Campbell (Partnership) did exceptional jobs! Nancy Conison, Ruth Scherr and Marta & Paul Heise (and several others) worked extremely hard. Also, thank you to Kay & Jim Elder and Gainor Eisenlohr for volunteering to be our caddies. We received many compliments saying how nice a tournament, good food and a very friendly club. Thanks to all who contributed in help, food and/or donations. Great success!!

YARD/GROUNDS – Thank you to two of our members, Steven Aycock and Jack McMahon for beautifying our grounds by pulling the weeds and spreading mulch everywhere. Great job!

LONGEST DAY – Tremendous success!! Not having the final figures, I believe “we” raised over \$10,000 for Alzheimers!! It was a “fun” day – six short games – 24 sponsors donated \$100.00; 52 pairs of A players played with partners who donated \$30.00; over 700 raffle tickets sold and many donations. So many thank you’s to all who helped in some way – but special thanks to Susan Lohr for her organization and extreme hard work and Joe Grill for directing all the games and duplicating all the boards! *THANK YOU – ALL!*
