Items not belonging to the club or no longer needed will be placed on tables in the lobby for a week or so. Please take what belongs to you. What remains will be donated. If you would like to help, contact Susan Lohr.

A. It has been requested that players not offer critical comments on the play of their opponents unless asked. Members should also report any Zero Tolerance infractions to the Director when they occur. Directors often hear of something that happened after the game is over and by that time it's too late for any corrective action. Players are reminded that Zero Tolerance is a shared responsibility.

B. A full duplicate game vs. 12 board games has been requested for the Longest Day. The 12 board matches provide opportunities for members to play with other partners and to win more points. Since the Longest Day purpose is to raise money for a good cause, is only one day a year and more social than competitive, the 12 board games serve our purpose more effectively.

Messages from the Board

1. The foyer floor tile will be replaced in the near future. As soon as available, the plan specifics will be provided. We will do our best to minimize any inconvenience to members.
 2. The National Federation of the Blind of Mecklenburg County will hold a fund raising event on April 21 at 7:00 PM at the Charlotte
-

Bridge Association.

3. Members are reminded to be especially friendly and welcoming to newer players. There are a lot of new players fresh out of classes and also hopefully from the "Intro to Duplicate" night.

4. Please check out the Newsletter on the back of the monthly calendar for additional club information.
