

Please Read! Lots going on at the Bridge Center!

The Annual Meeting will be held at the bridge center on December 3rd; a light lunch will be provided at 11:45, followed by the meeting at 12:30 and the regular Saturday game at 1:00 PM. Nominees for the Board will be presented; nominees include Jim Bender, Gretchen Easton, Martha Harrington, Mark Helikson, Colleen McMahon, and Anne Neal. Additional nominations may also be made at the

meeting.

Voting on the nominees will begin following the Annual meeting and run through the afternoon game on Friday, December 9th.

OVER
UNDER

Please note important changes for both Overs and Unders;

- a. The master point limit for Unders is now 499. However, Life Masters (who are under 500 MP) are strongly encouraged to play as Overs. The intent of the O/U game is for those players with less experience to have an opportunity to play and learn with those who have greater experience and expertise.
- b. With support from the Board of Directors, Overs will now play for free in the Over/Under games.
- c. It is permissible for two Unders to play as a team.

So find a partner and get ready for the next Over/Under game on Sunday November 13th. Contact Rhea Caldwell by text at 704-819-2813 or by email at caldwellrknc@gmail.com for help finding a partner.

Directors Needed

Monday's night game had to be suspended for lack of a director; additional Directors are needed. The Board has authorized payment of both the Director's course and the Director's certification test for interested members. Contact Janet Case for specifics regarding the course and/or test.

A. It has been requested that players not offer critical comments on the play of their opponents unless asked; please remember "Zero Tolerance".

B. Members have asked why the Leads are no longer entered into the BridgeMates and available in the game results. The Board voted unanimously to continue to input the Leads. However, this is a Proprietor's decision and the Proprietors voted to discontinue inputting the Leads to save time.

OTHER MESSAGES FROM THE BOARD:

Members are reminded to please be careful with food beverages in the playing room. The carpet was

cleaned during the October
Regional Tournament; this
was not inexpensive.

Another special thanks to Len
Case for getting the printer,
and Bridgemates back up and
working last week.
