LIBRARY NEWS – Len Case, Debbie Enna and Gainor Eisenlohr spent “several” hours shaping up our Club Library. We had received “tons” of bridge books from various bridge players. They stamped/prepared these books and then revamped the entire library – placing books in order by Author. A bookcase has been added into the playing area with books that are for our Novice and Limited players. Hopefully, this will be better system for all. The procedure for checking these books out is posted, so please follow the procedure.
