MEMBERSHIP NEWS - Bill Marchant fell in July and is at Asbury Rehab. Susie Sutton had her first Cataract surgery and it went very well. We are offering our sympathy to Jane Conlan for the loss of her husband, David. It has been a very difficult time – he suffered a massive heart attack on golf course up at Linville – then eventually transported back to Charlotte Hospital – then rehab at Southminster – developing pneumonia.

Library Books – We thank both Anam Tebha and Jane Conlan for donating a large collection of Bridge Books to our library. Also, John Bare has just brought us a large selection of bridge books in memory of his wife - Betsy Ross Bare. He thanked our club (some had made donations to the ACBL Education Fund (Bridge Whiz) in Betsy's memory.
